

AVIATORS PASS ENDURANCE RECORD

Hoover Plans Steps To Reduce U. S. Military Expenditures

HOME TOWN STUFF

The official weather forecaster of this column yesterday made a tour of inspection through the new municipal building. It is attractive in its design, convenient in arrangement and substantial throughout, according to the average person's ability to judge. On the main first floor are the offices of the City Secretary, City Engineer, water and light department and headquarters for the police.

On the second main floor are to be found offices for the Mayor and a meeting room for the Commissioners, with some unassigned office space. In the rear of this floor, above the fire engine room, are apartments for firemen, including living quarters for the chief engineer and his family. This part of the building is a model for neatness and convenient arrangement. They have some greased poles leading from this floor to the fire engine room below, this to make it easy and quicker for the firemen to reach the engine room and get their trucks ready to go when an alarm is given.

Chief Engineer John Hantley of the fire department showed how these poles can be used. He simply reached for the pole and before H. T. could look down the hole through which he had disappeared he was already on the engine room floor, ready for action. H. T. looked over this sliding pole for some little bit and finally decided that he would add it to his list of forbidden occupations, along with riding motorcycles.

On the top floor of the building is an auditorium. This is the only feature of the entire building that could be criticised. It is a spacious room, cool and well lighted, but lack of acoustical treatment will make its use as an auditorium difficult for both speakers and auditors. This could easily be remedied, but the location at the top of a building, three and a half stories in height cannot be remedied. To be serviceable, an auditorium should be on or very near the ground level. Many people cannot risk the physical exertion necessary to climbing three flights of stairs. Of course, the auditorium didn't cost a great deal, since it involved only the extension of the walls and the laying of one floor in order to complete it, and it can be used for public meetings until some better place is provided.

In the basement of the building are the heating plant, jail and quarters for use of the City Court. This part of the building is very conveniently arranged. An entrance into the jail and police departments has been provided on the north of the building from the outside, making it possible to bring in prisoners without carrying them through the main part of the building. The basement arrangement for handling prisoners on through court trial is ideal. All of this part of the business can be carried on without interfering with business on the main floors.

After looking it over from top to bottom, H. T. pronounced the new municipal building very satisfactory, attractive and convenient, and it will serve our needs for many years to come.

With this inspection completion Commissioner B. Daniel insisted that a visit be made to the new negro school building in North Vernon, which is nearing completion. When this building is opened for use this fall, it will be the first time in the history of Vernon that negroes have had satisfactory school facilities. We haven't been exactly fair with the negroes in this respect, but since Texas went Republican last year it seems appropriate that the negroes should have a new school building.

Clifton Visitor.
Miss Alice Goble of Clifton, is visiting Mr. and Mrs. H. E. Goble.

1,200 MARINES ORDERED OUT OF NICARAGUA

President Says Military Expenses of This Country Constituted Greatest Budget of That Nature in World—Mentions Tax Cut.

Washington, July 23.—(P)—Twelve hundred marines today were ordered withdrawn from Nicaragua.

This announcement was made by President Hoover. A total of approximately 2,800 marines will remain in the Central American republic.

Decision to take this action was reached upon the basis of reports from Nicaragua that order had been generally restored and that more marines were being maintained there than necessary.

PRESIDENT TO NAME BOARD TO STUDY MILITARY EXPENSES

Washington, July 23.—(P)—President Hoover intends to establish a commission of army officers within the general staff to see what can be done toward reducing military expenditures.

The commission, the President said today, would be charged with making an extensive inquiry to determine what has been made obsolete by scientific advancements and could be done away with, and what army programs can be spread over longer periods than originally intended and at the same time maintain complete and adequate preparedness.

The President said the purely military expenses of the United States constitute a military budget greater than that of any other nation and at a time when he considers there is less danger of war than at any period within the last 50 years.

The possibility of tax reduction, he added, was dependent to a large extent upon an ability to curtail military and naval expenditures.

EDWARD SCHLEE IS BADLY INJURED WHEN STRUCK BY PROPELLER

Detroit, Mich., July 23.—(P)—Edward F. Schlee, president of the Schlee-Brook Aircraft Corporation, who with William S. Brock flew from Detroit to Tokyo two years ago, suffered a fractured skull when struck by a propeller at the Detroit city airport shortly before 7 a. m. today. His condition was said to be serious.

LAREDO ISSUES PERMITS FOR VISITS TO MEXICO

Mexico City, July 23.—(P)—The National Tourist Commission has announced that the Laredo, Texas, Chamber of Commerce has been authorized to issue cards for entry into Mexico to tourists who wish to visit Mexico for periods less than six months.

NEW ORLEANS UNIONS TO VOTE ON GENERAL STRIKE

New Orleans, July 23.—(P)—Members of the allied unions in New Orleans will meet tonight to ballot on the calling of a general strike in sympathy with the street car men's strike which today continued in a deadlock.

MEXICO NOT TO CANCEL RESIDENT WORK RULING

Mexico City, July 23.—(P)—The government has decided not to cancel its ruling requiring all persons working in Mexico to establish residence within the country. Numerous complaints have been received from persons affected by the recent enforcement of the order.

BEAVER CREEK LAKE DAM TO BE REBUILT AT ONCE

Reconstruction of the spillway of the Beaver Creek lake dam started today following the washing out of about 47 feet of the spillway Saturday afternoon. The rebuilding of this part of the dam will necessitate about 15 or 20 days more work on the dam site. R. L. More, manager of the Waggoner Estate, said today. The dam is located on the Waggoner ranch about 17 miles south of Vernon and is southwest of the Zacaquista headquarters.

The work on the dam was scheduled to have been finished within the next 20 days. The dam went out under the pressure of the high water collecting in Beaver Creek following the heavy rains of last Thursday and Friday, and flooded several miles of country adjacent to the creek.

The bridge across Beaver Creek on the Seymour to Vernon Highway No. 23, is passable today. It was first reported that the bridge was washed out, but it was only temporarily submerged and slight damage was done to the bridge and the approach to the bridge.

Operations in the Rock Crossing and Grayback oil fields are being resumed as fast as possible. Both fields were temporarily isolated from approach from the north due to the flood along Beaver. Activity on several leases was suspended the latter part of last week but is being resumed with cleaning out after the high water.

CRUDE OUTPUT CONTINUES UP

WEST TEXAS PRODUCTION INCREASES 17,000 BARRELS

Tulsa, Okla., July 23.—(P)—Despite an approximately 3,000 barrel decrease in the Oklahoma fields the estimated daily average production in light and heavy oil in other fields of the United States during the week ending July 20 increased approximately 26,736 barrels, according to the current report of the Oil and Gas Journal.

This makes a total increase of approximately 168,357 barrels during the five weeks period ending July 20. West Texas production increased approximately 17,000 barrels while the total midcontinent area zoomed upward approximately 25,000 barrels.

Continued deep drilling areas increased in the Santa Fe Springs field, California, brought the increase for that state in light oil to approximately 9,000 barrels.

GIRL ENTERS FOURTEENTH DAY OF UNCONSCIOUSNESS

San Antonio, July 23.—(P)—Lois Boltz entered her fourteenth day of unconsciousness today, but physicians said she was recovering nicely from an injury to her skull suffered in an automobile accident. Since the accident she has been in a coma, but she is becoming restless, and her doctors believe she will come to soon.

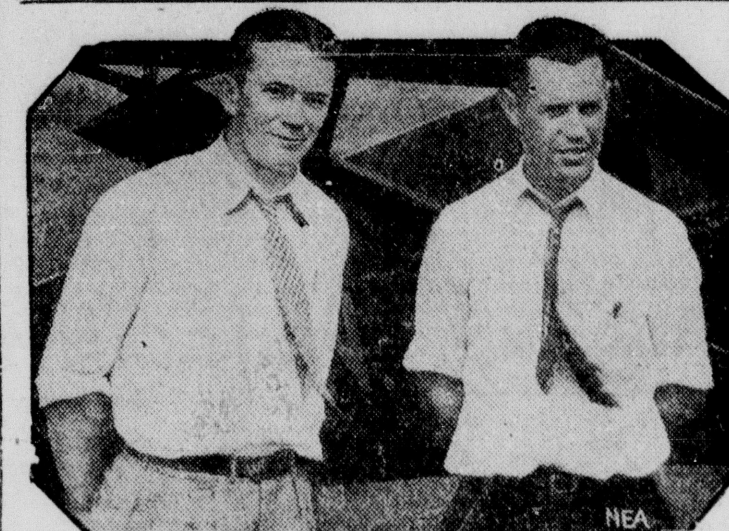

EXPLOSION IN BULGARIA CLAIMS MANY CASUALTIES

Athens, Greece, July 23.—(P)—It was reported here today that there were many casualties and great damage Monday at Soulievo, Bulgaria, when a secret store of munitions accidentally took fire and 3,000 shells exploded.

BOGIE LATE IN ARRIVAL AT ROSDALE IN RACE

Helena, Ark., July 23.—(P)—The speed boat "Bogie" trying to beat the 59-year-old record of the "Robert E. Lee" up the Mississippi from New Orleans to St. Louis, made a belated arrival at Rosedale, Miss., shortly before 10 o'clock this morning.

Pass Endurance Record

Dale "Red" Jackson, left, and Forrest O'Brine, are still in the air above St. Louis after having passed the 246-hour Mendell-Reinhart airplane endurance record made at Culver City, Calif., recently. They are flying the "St. Louis Robin."

EUROPE GASPS IN HEAT WAVE

NO IMMEDIATE PROSPECT OF RELIEF HELD OUT FOR CONTINENT

London, July 23.—(P)—All Europe sweltered today in a heat wave which extended from Moscow to Rome and the eastern Balkans to the British Isles.

No immediate prospect of relief was held out although in Great Britain the temperatures were cooler than a day or so ago. Accompanying drought gave official concern, not only in England, but in parts of the continent.

In Germany temperature of 95 fahrenheit were recorded over the week-end with thousands in Berlin fleeing for relief to the lakes and woods surrounding the capital. The ru of the water caused many casualties, not only in Berlin but in other parts of Germany, where drownings were frequent.

France endured a temperature of around 90 the past few days. Crazed with the heat Gaston Boux, 61, shot and killed his wife, two daughters, two sons and then himself at Gilon Castle in the Ardennes forest.

ONE DROWNS; ONE MISSING IN SPEED BOAT COLLISION

Chicago, July 23.—(P)—Two speed boats, carrying passengers, collided head-on in Lake Michigan 200 yards off navy pier last night. One was drowned another is missing and the other 18 passengers swam ashore or floundered about in the water until rescued by nearby craft.

FORD FAVORS FREE TRADE ON AUTOMOBILES, TRUCKS

Washington, July 23.—(P)—Henry Ford favors placing automobiles and trucks on the free list respecting tariff, the Senate finance committee was informed today by his representative.

TRANS-PACIFIC PLANE TO MAKE A FINAL AIR TOUR

Wichita, July 23.—(P)—Sponsored by Frank Phillips, Bartlesville, Okla., oil man, the Woolaroc, monoplane which won the Hawaiian flight, will tour the midwest for the last time with Col. Art Goebel, its trans-Pacific pilot, at its controls. Following the tour, the plane will be "retired" to a hangar at Bartlesville.

STANDARD OIL TO VOTE ON INCREASING CAPITAL

New York, July 23.—(P)—The Standard Oil Company of Indiana has offered to exchange seven shares of its common stock for each six shares of the class A or B stock of the Pan American Petroleum and Transport Company. Standard of Indiana already holds a controlling interest in Pan American.

PRISON QUIET AFTER REVOLT

WARDEN PLACES BLAME ON LIFE TERMERS IN PENITENTIARY

Danmonia, N. Y., July 23.—(P)—Clinton state prison, known throughout the underworld as "Siberia," today was nearing normal after the failure yesterday of 1,300 desperate convicts to battle their way to liberty and after a night spent under the sleepers, eyes of scores of guards reinforced by 14 state troopers.

The hoots and hisses and raucous laughter flung by the conquered prisoners at the guards last night after they were forced to return to their cells, leaving three of their fellow rioters dead, had ceased. In their place was a sullen silence, or, at most, a guarded grumbling.

Warden Harry M. Kaiser, in a statement, placed responsibility for the outbreak on a group of "lifers," sent to the prison from other state penal institutions for discipline. Clinton was definitely set aside more than a score of years ago as a "punishment prison" for "tough guys."

STANDARD STOCK OFFERED FOR PAN AMERICAN

Chicago, July 23.—(P)—Directors of the Standard Oil Company of Indiana today called a special stockholders' meeting for August 27 to vote on a proposal to increase the company's capital stock from \$375,000,000 to \$450,000,000, and to offer stockholders of the Pan-American Petroleum and Transport Company seven shares of Indiana stock in exchange for six shares of Pan-American.

WOMAN FLYER CREDITED WITH HIGH ALTITUDE

Washington, July 23.—(P)—Phoebe Omlie was accredited today by the National Aeronautical Association with having attained an altitude of 17,467 feet in a recent flight at Mo-line, Ill., but the Association said it had not been advised as to what type of ship was flown and therefore did not know whether any record had been established.

CALIFORNIA COURT VIEW FAVORS OIL COMPANIES

Los Angeles, July 23.—(P)—The superior court here handed down a decision today in favor of the Rio Grande and other oil companies in the suit for \$2,000,000 damages brought against them by Warren E. Duell and C. K. Cole, alleging deprivation of their rights in the rich Elwood oil field at Santa Barbara by fraud.

PREMIER MACDONALD WILL SPEAK ON NAVAL PROGRAM

London, July 23.—(P)—Prime Minister Ramsay MacDonald told the House of Commons this afternoon he would make a statement in the House tomorrow concerning the British naval construction program.

WIFE DEAD, MAN DYING AS RESULT STABBING AFFRAY

Fort Worth, July 23.—(P)—Mrs. Willie Malloy, 21, is dead and her husband, 28, is dying in an infirmary as the result of a stabbing at their residence here today.

TEXANS SPLIT ON BOUNDARY LAND QUESTION

Members of Committee Unanimously Reject Offer But Are Divided on Advisability of Selling Tract to State of Oklahoma.

Members of the Texas boundary committee named to confer with Oklahoma's representatives relative to recommending a solution for the problem engendered by a survey of the 100th meridian are divided among themselves on the advisability of selling the strip of land found to be in Texas, formally believed in Oklahoma, according to a statement by Representative Cecil Storey of Vernon, member of the Texas delegation, following his return from Oklahoma City where the representatives of the two states conferred. The Texas group unanimously rejected an offer of a \$1 an acre for the land. Mr. Storey's statement follows:

"The boundary dispute between Texas and Oklahoma still remains unsettled. The Oklahoma delegates contend that it is not the land they are specially concerned in but that their primary desire is to protect the occupants who have bought the land in good faith believing that they were getting good titles."

The Texas delegation which was composed of thirteen members of the Legislature were divided among themselves on the question of the advisability of selling the strip at any price. The entire delegation (Continued on page two.)

OCEAN SPEED RIVALRY LOOMS

CHALLENGE OF GERMANY'S PRIDE EXPECTED TO BE ANSWERED

London, July 23.—(P)—The Challenge of the North German Lloyd liner Bremen yesterday in its Atlantic crossing of 4 days, 17 hours and 32 minutes probably will be answered.

It is expected here that an international scramble for speed honors will follow almost immediately with Great Britain, America, France and Italy participating, and Germany adding the Europa shortly which should do as well or better than the Bremen.

The Cunard line, owner of the Mauretania, whose former record was beaten yesterday, made no statement of attack on the German record, but it is understood the line has a new race under contemplation, and it is expected the Mauretania will attempt to show she is capable of better than she has yet produced.

LIQUOR TAXES FORCE MEXICO INTO ICE SALES

Vera Cruz, Mexico, July 23.—(P)—The new state liquor taxes have indirectly forced the city to go into the ice business. Groceries and saloons closed in protest against the new taxes on the sale of liquors and the ice companies, as a gesture of sympathy refused to deliver ice. The city has put a number of trucks to work distributing ice.

COURT RULING EXPELLING AGRARIANS IS UPHELD

Mexico City, July 23.—(P)—The Mexican Supreme Court has upheld the ruling of Tuxpan District Court, Vera Cruz, expelling a group of agrarians to whom the Tuxpan Municipal Government had given land belonging to the British-owned El Aguila Oil Company. The municipality contended El Aguila was not using the land.

MEXICAN PRESIDENTIAL TIMBER IN AUTO WRECK

San Antonio, July 23.—(P)—Antonio I. Villarreal, candidate for the Mexican presidency until the collapse of the Escobar revolution, and Raoul Madero, brother of the late President Francisco Madero, were treated at a hospital last night for cuts and bruises sustained in an automobile accident. None was hurt seriously.

DEATH PENALTY GIVEN NEGRO IN ALABAMA ASSAULT

Eufaula, Ala., July 23.—(P)—Lester Bouyer, alias Charles Harris, negro, was convicted of first degree murder here today by a Barbour County jury which tried him for killing Jack Hines, mechanic, on a roadside four miles from here on the night of July 10.

The verdict was returned less than two hours and a half after the trial opened at 8:30 a. m. The jury deliberated less than 10 minutes.

Circuit Judge J. S. Williams sentenced the negro to be electrocuted in Kilby prison at Montgomery on August 23.

TARIFF FORCES REMAIN SILENT

CONFLICTING EXPECTATIONS SEEN AT WASHINGTON AS WORK GOES ON

Washington, July 23.—(P)—Conflicting expectations are being formed on the basis of scraps of information emerging from the closed room where the Republicans of the Senate finance committee have established themselves for the task of rewriting the House tariff bill.

On the one hand, inferences are drawn which lead some observers to believe their bill is to be as general as that passed by the House in the scope of its upward revision of tariff rates, while on the other hand, indications are cited to support predictions that the proposed increases will be considerably modified.

In the latter category is classed the request of Chairman Smoot to the tariff commission for a list of imported commodities which enter American trade in such relatively small quantities that they amount to less than ten per cent of total consumption. Some Republican committee men believe that if domestic producers have more than 90 per cent of the American market for any commodity, they do not need protection against imports. Many of the increases voted by the House are described as affecting such commodities.

While that is taken as a sign that the committee men are seriously considering an extensive modification of the House rates, an opposite interpretation is placed on the statement of Senator Shorridge of California, one of the members engaged on the task.

SHOOTING SUSPECT IS TERRORIZING OKLAHOMANS

Pauls Valley, Okla., July 23.—(P)—Suffering from a bullet wound thought not to have been treated since it was inflicted Saturday night in an exchange of shots with a deputy sheriff, Bud King today was reported terrorizing settlers in the Arbuckle Mountains near here.

A posse of 14 Garvin County officers was on his trail, but had paused temporarily to await arrival of bloodhounds from the penitentiary.

King seriously wounded A. L. Pinks, Deputy Sheriff, after the officer had ordered him to surrender a gun at a dance hall Saturday night.

JEALOUSY BELIEVED CAUSE OF SLAYING OF COUPLE

San Angelo, July 23.—(P)—Jealousy over her husband's supposed attentions to other women was blamed by officers here today for the death last night of Mr. and Mrs. J. J. Hourahan of Dallas. Police said Mrs. Hourahan shot her husband and turned the gun on herself. The husband apparently died at once, but Mrs. Hourahan lived until she reached the hospital. Very little is known about the Hourahans here as they had been here only ten days. The shooting took place at their hotel room.

ASSAULT DEFENDANT IN CUSTODY AT WAXAHACHIE

Waxahachie, July 23.—(P)—Jim Fowler, 73-year-old farmer accused of assault with intent to kill, is in custody after roaming about the country for two weeks on foot living on wild grapes, peaches and other vegetables and fruits he could pick up. The Duke was indicted for an alleged assault on Fowler's daughter and Fowler shot him in the neck.

ST. LOUIS PAIR SOAR ON AFTER 246 HOURS UP

Plane Functioning Smoothly and Pilots Indicate They Expect to Continue Aloft as Long as Possible After Beating Old Mark.

Lambert St. Louis Field, St. Louis, Mo., July 23.—(P)—Dale (Red) Jackson and Forrest O'Brine, piloting the monoplane "St. Louis Robin" passed the world's record for sustained flight at 2:00:32 p. m. today (C. S. T.) when they had been flying 246 hours, 43 minutes, 32 seconds. They needed to remain aloft another hour to officially set a new mark.

A city-wide celebration was planned for 2:01 p. m. (central standard time) when the plane equalled the old world mark. The St. Louis Robin, escorted by two squadrons of planes, circled the downtown section while factory whistles and aerial bombs gave noisy congratulations.

The pilots expect to continue after the hour needed to definitely establish a record. A note dropped last night read: "motor running fine. Both feeling good. Just 22 hours until we start on another endurance flight. We don't believe it is necessary to be 'tough hombres' to be endurance flyers."

The flyers were cautioned yesterday to keep their log carefully by Major Albert Bond Lambert, official observer, and to remain within sight of ground observers. Major Lambert pointed out their barograph, which records whether they have made a landing, has run down, making it necessary to obtain affidavits that they remained in the air continuously.

SELECT LEAHY JURY SLOWLY

COMPLETION OF PANEL IS EXPECTED TO REQUIRE ALL OF TODAY

Georgetown, July 23.—(P)—The tedious process of selecting a jury for the state trial of Harry J. Leahy, under death penalty for the slaying of Dr. J. A. Ramsey of Mathis, continued here today. After a number of talesmen had been excused through disqualification or challenge, only one juror had been added shortly before noon to the four selected yesterday.

With the unexpected trouble in choosing 12 men to hear testimony regarding the defendant's sanity continuing, it was expected that all of today's session would be consumed in getting a jury.

PAPER FIRM IS SUED FOR \$2,500,000 BY PUBLISHER

Columbia, S. C., July 23.—(P)—Suits for two and a half million dollars, said to be the largest damage suit ever filed in Richland County, has been brought by William Lavarre, publisher of the Columbia Record, the Augusta, Ga., Chronicle, and the Spartanburg, S. C., Herald and Journal, against the International Paper Company and the International Paper and Power Company.

The suit filed today alleges the companies agreed to lend Mr. Lavarre \$2,500,000 for the purchase and development of newspapers in the southeast, but that they had conspired to violate their agreement and to get control of the four papers already purchased by Mr. Lavarre for their own use.

PERMIT SYSTEM EMBARGO IS ANNOUNCED IN HOUSTON

Houston, July 23.—(P)—A permit system embargo on all grain consigned to Houston was announced today by R. C. Andrews, district manager of the car service division, American Railway Association. This course was taken in response to a resolution adopted by the Houston Terminal Grain Committee.

NEW BEEF CATTLE PRICE PEAK REACHED ON MARKET

East St. Louis, Ill., July 23.—(P)—A new 1929 high price for beef cattle was established on the market here today when fifty head of Hereford steers sold for \$16.25 a hundred. The cattle averaged 1447 pounds, and the average price for each steer was \$255.

Gigantic Border Liquor Running Ring Believed Uncovered After Battle in Which Two Are Killed

El Paso, Texas, July 23.—(AP)—Two Mexican rum runners are believed to have been killed in a pitched battle here last night between four immigration border patrol officers and a band of more than 20 smugglers.

The clash was a sequel to an engagement last Saturday when six border patrolmen were ambushed by rum runners and patrolman Ivan E. Scotten was killed.

None of the Americans was wounded in last night's battle in which several hundred shots were fired. The bodies of the two men believed to have been killed, the wounded smugglers were carried across the river into Mexico by their comrades.

H. C. Horsley, chief of the border patrol, said prominent citizens of El Paso were expected to be implicated in a gigantic border rum running following disclosures made by a negro truck driver, one of five men captured by the patrolmen. For months authorities have been watching certain El Paso business men.

Horsley said, but had obtained no direct evidence until today.

The runners have been unusually active in the border during the last week. In the ambush Saturday the patrolmen succeeded in driving off their assailants only after Scotten had been slain.

The raid last night occurred following a carefully planned ruse on the part of the immigration officials, who have been cooperating with customs officers in seeking to stop liquor smuggling, and a day of vigilance from high points of vantage within the city with spy glasses.

Descending upon the rum runners in speeding automobiles, the patrolmen mounted a fence near the Rio Grande. They were met with a fusillade of bullets from the rum runner's rifle. The fire was returned, and two of the smugglers were seen to fall to the ground. It was believed these two men were killed.

**WELL FLOWS 240 BARRELS
HOURLY NEAR GAINESVILLE**

Gainesville, Texas, July 23.—(AP)—Much excitement prevailed here today with the drilling in of what was believed to be Cooke County's first "legitimate gusher"—the Keweenaw Oil and Gas Company's No. 6 R. J. Timmins.

The well, in the E. T. Railroad Company survey, abstract 363, which topped sand at 1,466 feet yesterday, has been flowing at the rate of 240 barrels hourly since late Wednesday.

The producer is an east offset to the Humble Company's No. 3 Pottee, which came in yesterday making 400 barrels daily, in the Bulcher field, 25 miles northwest of Gainesville.

GOVERNOR USES AXE LIBERALLY

MOODY VETOES PARTS OF APPROPRIATIONS MEASURES

Austin, July 23.—(AP)—As a sample of what his work will be on the \$42,000,000 general appropriation bill, Governor Moody has vetoed \$29,861 from the educational and departmental emergency measure passed by the second called session of the 41st Legislature.

Also he disapproved the \$100,000 Crockett memorial bill, providing for construction of a building in the town of Crockett to the memory of the Texas hero from whom it got its name. He had said previously he would not approve the bill at this time.

He filed with the Secretary of State without his signature a bill creating a new road law for Llano County. Items deleted from the emergency appropriation bill included \$10,000 to rebuild a barn destroyed by fire on the Ramsey state prison farm; \$3,000 to complete unfinished work for preservation of the General Sam Houston home at Huntsville; \$5,000 to pay salaries of instructors at John Tarleton Agricultural College, Stephenville, during 1928-29, and \$3,000 for printing at the same institution; \$1,161 for the replacement of defective electrical service lines at Southwest Texas State Teachers College, San Marcos; \$700 for repairs at the same school, and \$2,000 to pay the mileage, per diem and expenses of members of the Department of Education.

**MARY LOUISE ROLLER IS
LAID TO REST MONDAY**

Funeral services for Mary Louise Roller, 2-year-old daughter of Mr. and Mrs. L. T. Roller, of northwest Vernon, were held yesterday afternoon at the First Methodist Church, Rev. C. A. Bickley, pastor, had charge of the services. Interment was made in East View cemetery.

The child died Sunday evening at a local hospital where she had been taken for treatment. She is survived by her parents, two sisters, Doris and Dorothy, and her grandparents, Mr. and Mrs. R. L. Gowdy, of Vernon. Two aunts, Mrs. Lottie Shelton of Quanah, and Mrs. Ella Latham of Fort Worth, and two uncles, Erwin Gowdy, Quanah, and Avis Gowdy, Vernon, were present at the funeral.

John Storey of Vernon is in Dallas today on business connected with the law firm here of which he is a member.

M'KECHNIE TO PILOT CARDS

WILL TAKE SOUTHWORTH'S PLACE AT HELM OF ST. LOUIS TEAM

St. Louis, July 23.—(AP)—President Sam Breadon, of the St. Louis Cardinals, announced today that effective tomorrow, William McKechnie, now managing the Rochester club of the International League, would again take over the management of the Cardinals and that Manager Billy Southworth would be sent back to Rochester in the managerial role.

Texans Split---

(Continued from page one)

was unanimous on rejecting the offer of \$1 an acre.

The next meeting of the two committees will be in Austin on August 16th, it is to be hoped that at that meeting some feasible plan may be worked out that the Texas committee may feel justified in submitting back to the Legislature.

The committee from Texas is not clothed with power to make a contract or to agree to the entering into a compact between the two states.

A brief history of the situation might emphasize its magnitude. In 1819 when the treaty between the United States and Spain was made the 100th meridian was the agreed boundary line. When Texas was annexed to the United States unlike other states of the Union, it kept its land. That being the case this strip of land has always been a part of Texas. A mistake was made in locating the true 100th meridian in the early days, and that mistake was not discovered until a survey thereof was ordered in the suit between Oklahoma, the United States and Texas over the Red River boundary.

"That suit thus far has resulted in giving Oklahoma to the center of the river and the United States to the South bank of Red River; but a survey of the 100th meridian disclosed that there are 25,500 acres of land thought to be in Oklahoma which is in fact in Texas. This is a long strip extending North from Red River to the northeast boundary line or corner of the state, the strip is from about 400 feet to 4,800 feet wide and nearly 100 miles long. The people who bought it purchased it in part from the United States and in part from Oklahoma.

"It is nothing more than right for them to be protected, but we of Texas think it is up to Oklahoma to do that. As stated above their committee says that the occupants are who they want to protect," Mr. Storey said.

"There are other angles that enter into the controversy. The John L. Wortham heirs hold a patent to 2002 acres of the land, also some claim to the other. The question of the proper way to dispose of public school land under our constitution presents itself. All of our public domain unsold, with the possible exception of the rivers, islands, and lake is public school land.

"As to whether a compact can be entered into between two states affecting a boundary line, the better authority, in my judgment will permit same, provided it is sanctioned by the Congress of the United States," Mr. Storey added.

Mr. Storey arrived in Vernon last night after attending the Texas-Oklahoma committee sessions in Oklahoma City. He said this morning that before the agreement between Texas and Oklahoma over the disputed territory was settled a clause would be included giving Texas sportsmen the same privileges of hunting and fishing on Red River that Oklahoma citizens now have.

Mr. Storey had no statement to make this morning concerning his candidacy for the office of State Attorney General. He was busy with business in his office and in answering letters and telegrams from scores of friends concerning his announcement as a candidate.

**TEMPERANCE BOARD SAYS
WICKERSHAM LETTER HAZY**

Washington, July 23.—(AP)—Bishop James Cannon, Jr., and Dr. E. L. Crawford, speaking for the board of temperance and social service of the Methodist Episcopal Church, South, have described as "hazy and puzzling" certain views expressed by Chairman Wickersham of the Hoover law enforcement commission in his recent letter to the Governors' conference.

The announcement approved Wickersham's suggestion that the states share the burden of enforcing the dry laws, but characterized as "defeatism" the chairman's statement that "national and state laws might be modified so as to become reasonably enforceable."

"Here we have haze and uncertainty," the statement said, "and not only possible but actual present defeatism, flatly declared, for certainly the natural interpretation of Mr. Wickersham's language is that national and state laws are not reasonably enforceable and require modification before they can be reasonably enforced."

This statement seems to be "premature," the announcement added.

**KOS-USKO FARMER KILLED
AS CAR CRASHES TRUCK**

Corpus Christi, July 23.—(AP)—John Skloss, 65, Kosciusko, Texas, was killed near here today when his automobile crashed into a truck.

W. C. Massey of Vernon was removed to a hospital here this morning for medical treatment.

Record classified ads bring results.

End of an Endurance Flight

Wreckage of the "Greater Des Moines," endurance plane, in which Pilot Arnold Ross, inset, was killed when it crashed to earth at Des Moines, Ia., is pictured here. Arnold was standing in an open cockpit ready to make a refueling contact when the plane dove to destruction. Another pilot escaped by use of a parachute.

LOCAL BRIEFS

Mr. L. D. Stead of Amarillo is in Vernon on business today.

Mr. and Mrs. G. E. McDavid and family of Amarillo visited Mr. and Mrs. Floyd Hardin yesterday.

Mrs. Florence Fain is visiting her daughter, Mrs. W. C. Plunk, of Hedley.

Mrs. W. L. Ledbetter, and daughter, of Chillicothe are visiting her sister, Mrs. Sadie Hansard.

Mrs. J. A. Hoffer is visiting her sister, Mrs. E. L. Duffy in Wichita Falls.

C. B. Umsted and son, Charles Edward, and Fred Buckingham visited in Gainesville, yesterday.

Miss Marie Lamm of Oklahoma City is visiting her sister, Mrs. Evelyn Cole.

Mrs. Warren Cobb of Ferris, is visiting in the home of her sister, Mrs. J. L. Goble of Fargo.

Mr. and Mrs. John Mason of Fargo are visiting relatives in Sudan and Amherst.

Misses Charlene and Mildred Nowell of Enid, Okla., are visiting at the home of Mrs. O. A. Swinburn.

Miss Mabel Turner of Snyder is visiting Gladys and Ruth Key of Vernon.

Robert Eriack of Vernon underwent an operation at a local hospital this morning.

F. F. Capps of Vernon has returned from a vacation trip in Missouri.

Turner Mason of Weatherford is in Vernon this week visiting his brother Harry Mason and friends and relatives.

Mrs. Lula Gordon and son, Bill Mann, of Fort Worth, are visiting in the home of J. D. Key of Vernon.

Mrs. Bill Lessor of Amarillo is visiting this week with her brother and sister, W. H. Sweatman and Mrs. Ben Ketchersid of Fargo.

Mrs. W. N. Martin and daughter, Helen Faye, and Charles Leay, left this morning for Stamford to visit Mr. and Mrs. Olen Lewis.

Mrs. C. L. Adams of southwest Wilbarger County under went a nose operation at the office of Dr. W. L. Rhodes Monday afternoon.

Mrs. W. I. Reno of Pecan Gap visited Mrs. J. A. Walker of Vernon last night on her way to Abert.

Mr. and Mrs. Homer Rogers and daughter, Evelyn, returned last night from a few days visit with relatives in Floydada.

Mr. and Mrs. H. H. Attaway returned to their home in Shamrock Monday after visiting with Mrs. Attaway's parents, Mr. and Mrs. R. C. Brazwell.

A. M. Bourland, president-manager of the West Texas Chamber of Commerce, and Grady Shipp, secretary of the Vernon Chamber of Commerce, left this morning for Stamford on a business trip.

J. H. Pendleton and daughter, Miss Anna Jo, of Vernon, and Everett L. Pendleton and daughter, Frances, of Fort Worth, left this morning for a trip to Lubbock and points of interest in New Mexico, including Carlsbad Caverns. They were accompanied by Miss Selma Baird.

FUNERAL SERVICES FOR MRS. BARNETT HELD HERE

Funeral services for Mrs. R. L. Barnett, 54, were held yesterday afternoon at the home, 2104 Lexington Street, with Rev. C. A. Bickley, pastor of the First Methodist Church, officiating. Interment was made in East View cemetery, Frost & Dobbs, local funeral directors, had charge of the body.

Mrs. Barnett died Monday afternoon at a Vernon hospital, following her removal there for medical treatment. She is survived by her husband, R. L. Barnett, of Vernon, her mother, Mrs. Edna Dutton, and six children.

All of whom were present at the death and funeral. Surviving children are Mrs. Lawrence McCollom, Leonard; W. O. Harville, Vernon; Mrs. Dolly Harris, San Angelo; Mrs. Georgia Donaldson, Ravenna; Robert Barnett, Vernon; and Grady Lee Barnett, Vernon.

Pall bearers at the funeral yesterday were W. F. Scott, D. G. Byars, E. A. Tidwell, E. Z. Nations, H. H. Headon, and L. E. Byars.

3,000 BUSHELS OF GRAIN BOOKED FOR EXPORT

Galveston, Texas, July 23.—(AP)—More than 3,000,000 bushels of grain have been booked for export during the first half of August, it was announced today by the emergency grain committee.

En route to Galveston are 4,300 cars of wheat, while about 4,000 cars are still on the tracks here and 2,000,000 bushels are in elevators. Seven ships now loading or preparing to load will take care of 1,278,000 bushels.

ATHLETICS TAKE FIRST GAME BY 4 TO 1 SCORE

Philadelphia, July 23.—(AP)—The league leading Athletics won the first game of today's twin bill from Cleveland, 4 to 1. Simmons' 22nd homer gave the A's a one-run lead in the fourth inning. Cochrane later made a circuit driving with one on.

Score: Cleveland..... 000 000 010—1 3 0 Philadelphia..... 000 100 12—4 10 0 Hudlin and L. Sewell; Walberg and Cochrane.

GRAND JURY PROBING MAN'S DEATH AT DALLAS

Dallas, July 23.—(AP)—The Dallas County grand jury today started an investigation into the death here last week of T. B. Jackson, Lison, Texas, cafe owner, who at first was believed to have died from food poisoning.

Later information given police, however, advanced the theory Jackson may have been given poison whiskey with malice intent.

CATHOLIC PRIEST SLAIN BY CHINESE BANDITS

Omaha, Neb., July 23.—(AP)—The Rev. T. Leonard, Catholic priest, was slain by Chinese bandits July 14, in the district of Kain Chang, southern Kiangsi province, according to a cablegram today to the mission at Bellevue near here.

INTENSE HEAT CAUSES ONE DEATH AT DALLAS

Dallas, July 23.—(AP)—Intense heat of yesterday caused one death and a prostration here. An unidentified man was found unconscious on a street. He died several hours later in a hospital.

E. E. Smith, W. O. Clary, O. O. Hollingsworth, A. T. Schooley, and F. E. Allen, all of Crowell were Vernon visitors Monday night for the I. O. O. F. lodge meeting.

Dec. 19.11 18.89 18.90-91 19.17
Opening: Jan. 19.11-b; March 19.23; May 19.23-b; July 18.71-b; Oct. 18.90; Dec. 19.07.

New Orleans, July 23.—(AP)—The cotton market opened easier in sympathy with lower cables than due. First trades showed losses of 7 points. After a rally of a couple of points, the market eased off again on general good weather, October trading down to 18.85 and December to 19.02, or 12 to 15 points under yesterday's close. At the end of the first hour the market was slightly steadier and 2 to 5 points up from the lows.

The market turned easier again in the second hour on the reported unloading of long cotton by the New York pool that bought last week. This caused the local market to ease off to 18.79 for October and 18.93 for December, or 27 points down from yesterday's close.

As New York reported offerings well absorbed owing to buying by Liverpool, the market here was steadier at mid-session and a few points below the lows.

New York.

Dec. 19.23 19.00 19.10-13 19.37
Opening: Jan. 19.25; March 19.43; May 19.52; July 18.42; Oct. (old) 19.00; Oct. (new) 18.90; Dec. 19.28.

New York, July 23.—(AP)—Cotton opened steady at a decline of 7 to 20 points under further liquidation or realizing, promoted by favorable weather reports and an opinion that

the crop was making normal progress. About 50 July notices were reported and that position sold off to 18.42, or 20 points net lower under liquidation. Later months showed net declines of about 7 to 13 points. The market showed net losses of about 2 to 13 points at the end of the first half hour.

Liquidation continued and a few stop orders were uncovered on the decline which carried prices off to 18.88 for October and 19.08 for January, or about 21 to 25 points net lower. The selling then tapered off, however, and the market was comparatively quiet at midday with prices showing rallies of 3 or 10 points from the lowest on covering.

Liverpool.
New Orleans, July 23.—(AP)—Spot cotton closed quiet, 23 points down. Sales 252; low middling 17.44; middling 18.94; good middling 19.59; receipts 690; stock 85,773.

Liverpool.

er; top 11.45 on 200 lb. weights; packing sows 9.00 to 10.15.
Cattle: 4,800; calves: 1,500; native fed steers and yearlings steady to 25c lower; other classes fully steady; slaughter steers, good and choice 13.00-15.00 lbs. 13.75 to 14.25; 1100-1300 lbs. 13.50 to 14.25; 950-1100 lbs. 13.25 to 14.00. fed yearlings, good to choice (milk-fed) medium to choice 9.00 to 14.50; stocker and feeder steers good and choice all weights 11.25 to 13.75.
Sheep: 7,000; lambs weak to 25c lower; sheep steady to weak; lambs 13.50 to 14.50; ewes 5.25 to 7.00.

POULTRY

Chicago.
Chicago, July 23.—(AP)—Poultry steady; fowls 23-1-2; springs 23; broilers 23; roosters 21-1-2; turkeys 20 to 30; ducks 18 to 20; geese 15; spring geese 22.

BUTTER AND EGGS.

Chicago.
Chicago, July 23.—(AP)—Butter unchanged.
Eggs higher; extra firsts 32 1-2 to 33; firsts 31 1-2 to 32; ordinary firsts 29 to 30 1-2.

GRAIN

Chicago.
Chicago, July 23.—(AP)—Quick set-backs from early new advances developed in Chicago grain markets today in much less one-sided trading than has been the rule of late. Continued "no rain" reports from the drought region northwest were largely offset by advices that Argentine wheat is being offered in Europe at sharp discounts under wheat from the United States and Canada.

Opening 1-3c to 1 1-2c higher, wheat rose a little further and then rapidly fluctuating went well below yesterday's finish. Corn and oats were relatively firm with corn starting 1-8c to 5-8c up, and afterward maintaining strength. Provisions declined.

Wheat closed nervous, 1 7-8 to 2 3-4 under yesterday's finish. Corn closed unchanged to 1 1-8 higher, oats 1-4 to 1-2 down and provisions unchanged to 45c off.

Chicago.
Wheat lower; forecast rain American northwest.
Corn steady; decreased contract stocks.
Cattle steady to lower.
Hogs lower.

SOCIETY

ENGAGEMENT OF FORMER VERNON MAN ANNOUNCED

Announcement of the engagement of Ernest Gilbert Mason of New York City, formerly of Vernon, to Miss Gladys Evelyn de Willers of Flushing, L. I., has been received by his parents, Mr. and Mrs. William Edward Mason, 1927 London Street.

Miss de Willers is a prominent and popular member of the younger set in Flushing.

Mr. Mason went to New York City two years ago to study architecture in Columbia University. He also studied at the Beaux Arts Institute of Design, and The Grand Central School of Art. He is now connected with W. and J. Sloane, one of the oldest firms on Fifth Avenue.

Mr. Mason met Miss de Willers during his first year in New York.

YOUNG MATRON'S SOCIETY MEETS MONDAY AFTERNOON

The Young Matron's Missionary Society of the Central Christian Church met at the home of Mrs. T. C. Thompson on Gordon Street Monday afternoon.

Mrs. Horace Lovelady presided over a short business meeting preceding the program.

Mrs. W. N. Adair led the study hour in a lesson on "The Gates of Faith." Mrs. W. B. Howell and Mrs. M. B. Blake gave an interesting dialogue in harmony with the lesson studied. Dainty refreshments were served.

Record classified ads bring results.

FARGO COMMUNITY CLUB ENTERTAINED FRIDAY

Mrs. J. S. Mason entertained the Fargo Community Club Friday afternoon at 3 o'clock. The roll call was answered by sketches of Alaska.

The subject of the lesson was "Travel Etiquette," with Mrs. M. C. Neal as leader.

Packing a Traveling Bag for the Week-end, by Mrs. J. S. Mason; Hotel Etiquette, by Mrs. J. L. Goble; Mannerisms To Be Observed on the Train, by Mrs. M. C. Neal.

Mrs. Goble and Mrs. Neal were appointed to make arrangements for the picnic in August for members and their families.

Refreshments were served to the following members and visitors: Mrs. George Beavers, Mrs. H. H. Scherer, Mrs. J. L. Goble, Mrs. W. H. Sweetmon, Mrs. M. C. Neal, Mrs. Cecil Goins, Mrs. Warren Cobb of Ferris, Texas, Miss Frances Sweetmon, Miss Nina Mason, and the hostess, Mrs. J. S. Mason.

METHODIST MISSIONARY SOCIETY MEETS MONDAY

The Missionary Society of the Methodist Church met Monday afternoon at 4 o'clock at the church in a bible study, "Spiritual Adventuring."

The meeting opened with a prayer led by Mrs. W. R. Keeton. The subject of this lesson was "Cosmopolitan Christian," and was taught by Mrs. C. A. Bickley.

Refreshments were served by Mrs. S. E. Porterfield and Mrs. J. F. Roberts.

Helping the Homemaker

By MRS. ALEXANDER GEORGE
Summer Luncheon Menu.
Chilled Diced Melon
Cheese and Rice Croquettes
Currant Jelly
Stuffed Tomato Salad
Hot Rolls, Buttered
Peach Shortcake with Ice Cream
Coffee

Chilled Diced Melon, serving six.
(Very refreshing).

1 cup diced cantaloupe
1 cup diced watermelon
1 cup diced pineapple
1-2 cup orange juice
4 tablespoons lemon juice
1-2 cup water
2 tablespoons sugar
Boil the sugar and water for two minutes. Cool and add the fruit juices. Mix and chill the fruits and the juice.

Cheese and Rice Croquettes, serving six.

1 cup cooked rice
3 tablespoons butter
4 tablespoons flour
1-2 cups milk
1 teaspoon salt
1-4 teaspoon paprika
1 teaspoon finely chopped onion
1 teaspoon finely chopped green peppers

1-2 cup pimento cheese
1 egg yolk

Melt the butter and add the flour. Blend and add the milk and cook until a very thick creamy sauce forms. Stir constantly during the cooking. Add the rest of the ingredients and cook slowly and stir constantly until the cheese has melted. Cool. Take tablespoons of the mixture and roll in the crumbs and in the egg mixture and again in the crumbs. Brown in deep fat.

Crumb Mixture.

1-2 cups rolled dried bread or cracker crumbs
1 egg
3 tablespoons cold water
Beat for one minute the egg and cold water.

Peach Shortcake with Ice Cream.

1 quart vanilla ice cream
2 cups sliced fresh peaches
1-3 cup sugar
6 slices angel food cake
Mix and chill the peaches and sugar. Arrange on the cake and cover with the ice cream.

GIRL SCOUTS MEET AT ALLINGHAM PARK MONDAY

The members of the Cardinal Troop of Girl Scouts held their meeting at the Allingham Park Monday evening. At this meeting a contest to see which patrol could have the most members pass the tenderfoot test was held. The losers must entertain the winners with a picnic.

The Pine Tree Patrol won with five passing the test, who were Frances St. John, Mary Doris Fultz, Irene Thomas, Adeline Reed and Bernadine Owens. The members of the White Rose patrol who passed the test were: Mary Elizabeth Mebane, Lucile Mebane, Edna Mae Peil and Cleo Withers.

The White Rose patrol will entertain the Pine Tree patrol with an all day picnic Thursday. The members of the White Rose patrol will have a meeting at the home of Cleo Withers to make plans for the picnic.

WANTED—Trade us your old oil stoves and coal heaters, for something you need—Will give you a good trade as we need them.

Brief News From the Oil Fields

Operators in the oil fields of south Wilbarger County are just renewing operations this week after the high water of last week which reached proportions of floods in several sections. No check can be made as yet about half of the well being drilled in the Waggoner pasture, but a large number are still shut down.

The E. B. Lawson interests have announced the location of No. A-6, in section 25, block 4, H. & T. C. R. survey.

The Rathke Oil Company is ready to spud in their No. 1, Watts wildcat, one mile north of Doans in northeast Wilbarger County. It is located in section 64, block 15 H. & T. C. R. survey. Boilers were heated up for testing Sunday.

The Phillips' Norwood No. 5, section 18, block 4, H. & T. C. R. survey, is flowing 362 barrels in 20 hours. The Waggoner No. 2, same section, is flowing 242 barrels in 12 hours.

The Humble Oil and Refining Company's No. 1 John Matus, section 33, block 5, H. & T. C. R. survey, in Ford County, is about ready to spud in. The well is an offset to the Shell Company's No. 1, W. S. Tarver discovery well near Thalia.

R. H. Busby of Megargel has contracted to drill a 2,500-foot well in the West Rayland community in Ford County on a lease block con-

tering around the Walker and John Ray farms. A cable tool rig is to be used.

The Waggoner Refining Company has made a location for their No. O-1 W. T. Waggoner test, 150 feet north and east of the southwest corner of the east half of the northwest quarter of section 2, block 4, H. & T. C. R. survey, in Wilbarger County.

The Shaw Oil Company's No. H-1, W. T. Waggoner is to be drilled 3,810 feet south and 893 feet east of the southeast corner of section 5, block 5, H. & T. C. survey, in the George Butler survey, abstract 3, Wilbarger County.

Two additional tests are to be drilled in the southeast quarter of section 17, block 4, H. & T. C. R. survey, by the Lewis & Payne Company in Wilbarger County.

Apple & Brandeberry's No. A-2, section 32, block 4, H. & T. C. R. survey, has been shut down.

The Foster Company has located their No. B-3, section 39, M. E. P. & P. survey.

Flyer Will Test New Wrinkle in Ocean Hop Start

Tacoma(Wash., July 23.—(P)—A new wrinkle in taking off for a trans-oceanic flight was to be tested here today by Lieut. Harold Bromley, preparing for an aerial dash to Tokyo.

Bromley announced he would test the feasibility of having another plane fly overhead to guide him down the runway, his Lockheed monoplane City of Waco is so constructed that he must fly practically "blind" until the ship is well in the air.

With a plane guiding him, Bromley believes he can hurdle at full speed with greater safety down the 5,400 foot runway.

If minor adjustments to the motor are completed today and the test flight develops no need for further work on the plane, Lieut. Bromley will wait only a favorable weather report to take off for Japan.

TWO STEAMERS COLLIDE IN ATLANTIC SHIP LANE

Washington, July 23.—(P)—The first collision between a steamship and an iceberg in the Atlantic shipping lanes in the last 15 years was reported today in a message to the coast guard headquarters from its Cutter Modoc, of the international ice patrol.

The British steamer Vimeira, bound from Glasgow, struck an iceberg Saturday off the Grand Banks east of Newfoundland, the cutter reported, but no one was injured.

TWELVE BOAT LOADS OF LIQUOR STOCK CAPTURED

Detroit, July 23.—(P)—The largest liquor seizure ever made on the Detroit River was reported by customs border patrol inspectors today. They said they captured twelve boats loaded with between 500 and 800 cases of whiskey near the Ecorse shore at 1 a. m. The boats consisted of three outboard motors, eight rowboats and a canoe.

Five men in charge of the shipment were arrested, while several others dived into the river and escaped.

THREE KILLED AS PLANE CRASHES IN NICARAGUA

Washington, July 23.—(P)—Lieutenant Clarence M. Knight, United States Marine Corps, passenger in an airplane which crashed near Occotal, Nicaragua, yesterday, killing its pilot and mechanic, died of injuries during the night.

Word of his death was received today by the Navy Department.

Two other marines killed in the crash were Captain E. D. Howard and Private Robert K. Moody. The airplane fell into the Coco River.

SIXTY-TWO CHINESE DIE IN STEAMER COLLISION

Shanghai, July 23.—(P)—Sixty-two Chinese passengers of the China Merchants Steam Navigation Company steamer 'Isinkong' were drowned Sunday when the ship collided with the Japanese steamer Tatsuno Maru off Weikhaiwei during a fog.

The 'Isinkong' sank within 20 minutes. Forty-two of those aboard were picked up by the Japanese steamer which was en route to Kobe, according to the company's information.

NEGRO GETS LIFE TERM FOR ASSAULT AT HOUSTON

Houston, Texas, July 23.—(P)—Robert Carnack, 21-year-old negro, must spend the rest of his life in prison for attacking a white woman. A jury found him guilty of criminal assault here last night after 40 minutes deliberation.

SPECIAL TRAIN TAKES NEGRO AND GUARDS TO TRIAL

Eufaula, Ala., July 23.—(P)—A special train, bringing Lester Boyer, negro slayer, and one hundred and fifty national guardsmen called out by Governor Bibb Graves to protect him from threatened mob violence, arrived here at 8 a. m. today.

The train was met at the station by an orderly crowd estimated at from 1,000 to 1,500. There was no disorder.

The guardsmen surrounded Boyer on the way to the courthouse where he was placed in the prisoners cage, preparatory to the opening of the trial.

No effort was made to disperse the groups around the courthouse square. Court attaches announced as many as could make their way into the courtroom comfortably would be admitted.

Boyer is charged with the murder of Jack Hines, mechanic, and an attack on Miss Beatrice Clark, 18, as the two were motoring four miles from here on the night of July 10. The negro confessed when arrested a week later.

BANKER CONVICTED OF USING MAIL TO DEFRAUD

New York, July 23.—(P)—James Rae Clarke, senior partner of Clarke Brothers, defunct private bank, pleaded guilty today to using the mails to defraud and accepted full responsibility for the bank's \$5,000,000 failure.

The partners in Clarke Brothers were James Rae Clarke, who owned 70 per cent of the stock, his brothers, Philip and Hudson, Jr., and John Bouker. All four were indicted by a federal grand jury for mail fraud and concealing assets in bankruptcy, and by a county grand jury for accepting deposits after knowing the bank was insolvent.

RED CHAIN
Dairy Ration

3 lbs. MORE of milk per day make it cost less than "cheap" feeds!

A cow requires about one ton (20 bags) of RED CHAIN Dairy Ration per year.

An increase in milk of ONLY 3 LBS. PER DAY (at \$2.00 per 100 lbs.) amounts to \$18.00 in 300 milking days. This will allow you to pay as much as 90¢ per bag more for RED CHAIN than for "cheap" feeds.

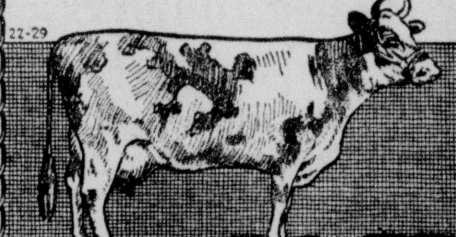

WHY GAMBLE—WHEN RED CHAIN IS SAFE AND SURE?

ZACHRY-MCALEB
PRODUCE CO.
Phone 549
Vernon, Texas

FIGURE IT OUT FOR YOURSELF

THERE'S no doubt about getting more milk from your cows when you feed RED CHAIN 24% Dairy Ration. It is safe because it contains less cottonseed meal than any other 24% dairy feed on the market, and its variety of proteins make it highly palatable, digestible and efficient.

When only three lbs. more of milk per day pays the difference between RED CHAIN and "cheap" feeds, can you afford not to feed RED CHAIN 24% Dairy Ration?

RED CHAIN Feeds are SUPERIOR Feeds

THE KELLOGG PACT'S OPPORTUNITY

The Russo-Chinese controversy which promises to precipitate armed conflict in the East presents proponents of the Kellogg Pact with the first opportunity of proving the efficacy of the agreement against war. It has been charged with plausible reasoning that the Kellogg agreement is only a profession by nations of their desire for peace, and that it cannot be accepted as anything more until it provides a means of settling disputes by pacific methods.

It is clear that the controversy is to test the pact. Those who have attacked the agreement have forcefully pointed out that it merely renounces war and does not offer any substitute that it fails to offer any machinery to replace armed conflict in the settlement of difficulties between nations. Such an agreement apparently is based on the theory that renunciation of war by the nations will immediately put an end to international disputes. However, everyone has known that disputes that would threaten to engender armed conflict would soon arise and both friends and opponents of the Kellogg treaty have been anxious to observe the procedure that will result from application of the pact.

The opportunity to note this procedure is now at hand, for, happily, the United States did not hesitate to resort to the treaty, although the pact does not become formally operative until the Japanese ratification is deposited in Washington Wednesday. England immediately joined the United States in its effort to effect settlement through the medium of the treaty, and both Russia and China are signatories of the pact, making the instance an opportune one for a test of the efficacy of the agreement to outlaw war.

It has been indicated that a board of arbitration of Kellogg pact signatories will be sought to consider the question. The procedure necessary to form such a commission and launch it into active work toward settlement of the dispute will be worth noting, as will the attitude of the nations involved, and their inclination to accept the ruling of the commission.

It should be remembered that the Kellogg Pact makes no specific provision for settlement of difficulties, and the procedure in the present instance will be of great significance because it will set a precedent. Friends and even those who opposed to the agreement to outlaw war must view its application to the dispute with solicitude. Its success or failure in the prevention of war depends to a great extent upon the outcome of the Russo-Chinese trouble. Those charged with placing the pact in operation have weighty obligations and they will be watched by the people of every section of the globe. Their actions will make world history.

FORD AND SUCCESS

It would seem that of all people qualified to give the young man advice upon the requisites to success in business, Henry Ford, the automobile manufacturer, must be the most capable. His genius not only devised one of the first and most popularly priced automobiles, but perfected a business organization and an industrial plant that has no equal in this his ability stands out, recognized throughout the world.

For this reason an interview with him in which he gives his views of the most practical road to success for the young man to follow, in the current issue of the American magazine, is of particular interest.

However, there doubtless are thousands with far less proven ability in making money and achieving material success that will not hesitate to question Mr. Ford's views. He unequivocally advises against attempting to save money. He would have the young man striving to succeed to spend. "No man," the automobile magnate says, "who has learned to spend wisely will ever experience poverty."

His argument thus is irrefutable. However, it is difficult to agree with his argument that every man should not attempt to save any money be-

fore he is forty, but instead should spend it upon developing himself. It is easy to see that this is not primarily an age of saving. One must produce, not merely economize, in an era of big business. However, the man who cannot save any money because he has reached the age of forty is running the risk of spending the most enjoyable part of his life close to the edge of poverty.

It seems questionable to deem the young man to poverty until he is forty years of age. After all, there are others who have made striking records in the world of finance that advise the young man to save, notably John D. Rockefeller. Perhaps their advice is as trustworthy as Mr. Ford's.

The wise course seems to be one of spending liberally for self development, but never hesitating to save when possible. Success in business is more accessible to the person who has sagacity to allow him to take advantage of opportunities.

HOUSTON ENDURANCE SHIP ALL BUT FORCED DOWN

Houston, Texas, July 23.—(AP)—More than half way to their goal, G. L. Loomis and Joe Glass were still aloft today in their plane, the "Billion Dollar City" in spite of a situation which almost forced them to abandon the attempt to establish a world's refueling record.

With gasoline running low yesterday the flyers called for an emergency supply before the regular time for refueling, but the gasoline could not be transferred because of a kink in the hose. The refueling plane returned to the ground, straightened the hose and made another ascent getting the gasoline to the flyers just in time.

RUSSIA SEIZES CHINESE SHIP

SOVIET TROOPS CAPTURE
RIVER STEAMER. TAKE
AMERICANS

Peiping, July 23.—(AP)—Soviet troops patrolling the Amur River, which skirts northern Manchuria, have captured the Chinese river steamer Han, taking prisoner the wife and baby daughter of Ray Talbot, American.

The Russians sent word to Talbot, deputy commissioner of Chinese maritime customs at Tabei-Ho, across the Amur from Chagoveshensk, that both were "comfortable and being treated kindly."

George C. Hanson, American consul at Harbin, Manchuria, wiring official reports of the capture here said friends of Talbot at Harbin said Mrs. Talbot was of Russian birth.

The Russians also have captured the Chinese merchantman Haleheng, which they are holding near Blagoveshensk. Japanese news agency reports, unconfirmed elsewhere, said a Chinese river gunboat had been captured by the Russians on the Amur.

Observers here today estimated seven divisions of Chinese infantry and one of artillery had been assembled in the Manchuria region, northwestern terminus of the Chinese Eastern railway, while 50,000 soldiers are supposed to be gathered at Pogranichnaya, at the eastern end of the railroad.

Chinese and Japanese news agencies here were filled today with continued alarming reports of troop movements along the Manchurian border, and the stories of refugees arriving at Harbin. Most of the stories were unconfirmed, and neutral observers were of opinion there had been no actual overt act by either Russia or China unless it was that purported to have taken place in seizure of the Chinese gunboat.

When Editor W. O. Saunders, of the Elizabeth City (N. C.) Independent, took a morning stroll clad in tan pajamas and a necktie, as pictured here, he expected to create quite a stir—but didn't. Few pedestrians noticed the unusual garb of their editor and small boys didn't even let out the customary raspberry when he passed. And one critic said it wasn't much—because pajamas aren't pajamas unless they're pink!

Beats the Heat

vention and twelfth sale of the Sheep and Goat Raisers' Association. From six states are the fine-blooded stock entered: Utah, California, Texas, Kansas, Oregon and Kentucky. Animals to be put through the sales ring: 849 Rambouillet sheep; 10 Delaine sheep; 75 Angora goats.

Improve Cotton Service.
Galveston, Texas, July 23.—(AP)—About 150,000 bales of cotton are expected to move to Dunkirk this season with the establishment of direct bi-monthly service between the Gulf ports and the French port. It will be in connection with the Scandinavian service maintained by the Wilhelmshaven Line and the Swedish-American Mexico Line.

SHEEP AND GOATS TO BE AUCTIONED AT MEETING

Anzola, Texas, July 23.—(AP)—Kings and queens of the sheep world will be offered to buyers of Texas, New Mexico, Mexico and other states when 934 head of Rambouillet sheep, Delaine sheep and Angora goats are auctioned at Del Rio on July 31, Aug. 1 and 2, at the annual con-

TURN TABLES AFTER 15 YRS.

"Sargon turned the tables for me after I had tried for 15 years to get well of stomach trouble. Now I am gaining every day. I went from 119 to 140 pounds, a gain of 21 pounds in three weeks on just three bottles of three bottles. That's pretty good for a man 82 years old."

"I suffered day and night for almost 15 years and spent many hard-earned dollars on medicines, but none of them reached my case until I got Sargon. I felt weak and sick from morning until night. I would just drag myself around but now I feel years younger and can keep going all day. I eat anything I want and have no trace of stomach trouble, headaches or dizzy spells any more."

"The Sargon Soft Mass Pills straightened out my liver and I no longer suffer from biliousness and constipation. It sure is great to be feeling like my old self again and I will always praise the Sargon treatment. There never was any medicine to equal it."

CELLAR OCCUPANTS MOVE UP TO THIRD PLACE BY BEATING LEADERS IN CLOSE CONTEST

The winning streak of the Presbyterian Sunday School ball club was broken yesterday when the Baptists took the upper hand and the big end of a 6 to 5 score. It was the second defeat of the second half for the Presbyterians, who still control the top floor of the league tower, and both losses were to the Baptists, who have been hovering between the ground and third place since the beginning of the second half of the season. By their victory yesterday, the Baptists went into third place standing, leaving the cellar to the Methodists, who will attempt to return it to the Baptists today when they meet the Presbyterians in a game postponed from last week.

Bert Williams ascended the hillcock for the Presbyterians yesterday and darkened the hopes of the opponents by striking out the first four Baptist batsmen. His uncanny hurling spread misery on the Baptist bench for two innings, then it was dispelled when the deep water enthusiasts took charge for a time and five Baptist runners skipped across the plate, during and following a volley of bingles, one going for a double that scored two. But the undaunted Williams went the route, allowing only five safeties in the course of the game. King, pitching his first game for the Baptists, displayed fair form, but depended much on his comrades of the outfield. He has formerly played in center field.

Wolfe Edwards, and Steve Dobbs opened the afternoon's play by striking out in succession. Baird nervously approached the plate for the Presbyterians' start and batted a two-bagger over second base, and stole third, Blanton rapped to Wolfe and was out at first. Castleberry struck out, and Bob Williams singled, scoring Baird. L. Williams singled, and Bob stole third, running on Hardison's overthrown ball to Rainwater. Bourland singled, and stole second. Bert Williams grounded to King who threw him out at first.

Rainwater and Bridges struck out and Simmons lined out to Bob Williams for the Baptists' second, and the Presbyterians were held scoreless in their half. Bowman swung three times, Lisman popped to King, and Baird popped to Chaffin.

Encouraged, the Baptists went into a huddle, and there followed a series of hits and runs that won the game. Chaffin was safe on Baird's fumble. Hardison put one past Bourland, and tried to reach second. Bourland recovered and threw Hardison out at second. Chaffin going to third. King drew a walk, the only one of the day. Wolfe started the hitting program with a sharp single to center field, scoring Chaffin. Edwards singled, scoring King, and Dobbs was safe.

The box score:

BAPTISTS	AB	R	H	PO	A	E
Wolfe, ss.	3	1	0	1	0	0
Edwards, rf.	3	1	0	0	0	0
S. Dobbs, 3b.	3	1	0	3	1	0
Rainwater, 2b.	3	0	1	2	0	0

BRUSHING UP SPORTS By Laufer

IS A LOT OF SUGAR FOR '38 AFTERNOONS' WORK—HOW WILL DAZZY VANCE FARE NEXT CONTRACT TIME?

DAZZY VANCE

But in baseball a player really gets paid for his previous season's work and it is on this record a player generally bases his claims. Let's see just what amount of work Dazzy performed to get the 25 G's.

In 1928 he worked on just 38 afternoons. He completed 24 games and finished up other fellow's games on five occasions. All told he pitched 280 innings, winning 22 and losing 10.

If you figure 18 balls to the inning Dazzy gets just a few cents less than 35 every time he wraps the old soup bone around him. He'll have to get going pretty soon if he figures having that contract renewed.

—Bourland. Stolen bases—King, Baird, Blanton, Castleberry, Bob Williams, Bourland, Bert Williams. Time of game—one hour, 20 minutes. Umpires—Lisman, Carney.

(By The Associated Press)

Thanks to the erratic Brooklyn
Dodgers, the roving Pirates of Pit-
sburgh have added another half-
game to their slender lead over the
cage Cubs in the National League
struggle.

While all other major league cl-
ubs were idle yesterday, the Pirates sh-
ed three Dodger pitchers for six
lusty hits and coasted in with a
2 to 1 victory.

Thus the Bush-men boosted to
lead over the Cubs to a game and
half. All in the games won col-
slender enough advantage but
than none at all.

All other National League clubs
an open date as did all Amer-
League teams, but Cleveland
Philadelphia whose game was ra-
out at the Quaker City.

TEXAS HURLERS TRIM SWATTERS

HITS HELD TO MINIMUM IN PRACTICALLY ALL GAMES PLAYED MONDAY

(By the Associated Press)

Evidently the pitchers in the J. Doak Roberts circuit have taken this agitation about the lively ball and prodigious batting averages as a reflection upon their ability. But, whatever the cause, the boys who supply the cannon fodder bore down yesterday and made the league's batters look silly.

Seldom will a loop experience such a day in these modern times, when fences are night and spheres so flighty. In the four games played before down-state crowds only one starting pitcher failed to finish. There was one two-hit performance, a three-hitter, a four-hitter and three six-blow affairs. The greatest number of safeties accumulated by any outfit fell to the Exporters, who bombarded the Dallas veteran, Whitey Glazner, and his relief, Frasier, for nine hits.

Big Charlie Sullivan, the Panthers' right-handed wheelhorse, turned in the day's fifty when he bearded the Waco Cubs in their own park and pitched them, 5 to 0, with two scratch hits. Sanguinet and Windle were the only Cublets to escape a blanking in the series opener.

Next to Sullivan, the fair-haired "y" for the day was none other than Tiny Owens, and he proved a hard-luck hero. The angular Sport hurler allowed the Buffaloes only three knocks but was defeated, 1 to 0, in a heart-renderer. Joe Brown, the no-hit beauty, kept seven Sport blows scattered. The break came in the ninth when Eddie Hook worked Tiny for free passage to first. He was sacrificed along and rode in on Martin's timely drive to right.

George Washington Payne, fondly known as Old Rubber Arm up Wichita Falls, permitted the San Antonio Indians six hits in achieving his fifteenth victory, 3 to 2. He and Andy Messenger, Tribe anchor man, hooked up in a genuine mound duel, with the Indians' ace striking out 10 batters.

Glazner became the day's only mound casualty when the Exporters jumped him for four runs in the seventh inning of the initial tilt at Stuart Stadium. Four hits and a walk that period led the game, 4 to 2. Lefty Stubby held the first half champs to six hits and was given sentimental support.

FORMER FEATHER CHAMPION AFTER LIGHTWEIGHT CROWN

Sammy, the champion, and Tony, the challenger, meet over the 10-round route in Chicago, August 2, with Sammy's lightweight title at stake.

Chicago, July 20.—(P)—Tony Canzoneri, the chesty little fighting machine from New York, brazenly invades the senior lightweight ranks August 2 in an attempt to topple Sammy Mandell from his rock ribbed throne.

The skirmish of flying fists will be 10 rounds or less and will be decided in Paddy Harmon's stadium before what Paddy hopes will be a record throng of 25,000 cash customers.

It will be third time in as many years the "Rockford shiek" has defended his title, won from Rocky Kansas in Chicago in 1926. Mandell, following the Kansas bout, which some folks thought Rocky couldn't have lost, steadily established himself by clean cut victories over Phil McGraw and Jimmy McLarnin.

MAJOR LEAGUE LEADERS

(Including games of July 22)
(By The Associated Press)

National:

Batting—Herman, Robins, .395.
Runs—Ott, Giants, 87.
Hits—Terry, Giants, 96.

CANZONERI LOOKING FOR LEFT HANDED FIGHTERS

Chicago, July 23.—(P)—Tony Canzoneri, former featherweight champion, who will shoot at Sammy Mandell's lightweight title at Chicago Stadium August 2, is looking for sparring mates adept with the left hand.

The Italian wants work with boxers who use a style approaching that employed by Mandell, and already has signed up Harry Dubinsky, Chicago middleweight, and Roxie Allen.

Mandell is working with Benny McArthur, Saginaw, Mich., lightweight, Harry Gransburg and Jackie Johnson.

ANOTHER SUIT AGAINST MAX

GERMAN FRIEND SEEKING 2 PER CENT OF RING EARNINGS

New York, July 23.—(P)—The fistie sub-division known as Max Schmeling had one more worry on his hands today. Already over his head in legal entanglements, the German heavyweight discovered that someone else had brought suit for a portion of Max's ring earnings in the United States. The chances are Max won't worry over-much on the theory that there more suit among so many hard-luck matters.

The latest claim on Schmeling's purse came in the form of a suit, brought by one Frederick Kirsch, asking for 2 per cent of Max's earnings. Kirsch, Quondam friend of Schmeling, and Arthur Buelow, the boxer's repudiated manager, filed an order signed by Supreme Court Justice William Black, requiring the Madison Square Garden Corporation and Charlie Rose, another of Schmeling's many managers, to show cause today why a receiver should not be appointed to take over 2 per cent of the boxer's earnings over Paulino Uscudum.

Kirsch said he had introduced Schmeling and Buelow to Rose and that Buelow had assigned 10 per cent of Schmeling's earnings to Rose, who in turn gave 2 per cent of this to Kirsch.

All was serene until Joe Jacobs, now Schmeling's manager of choice, entered the scene. Jacobs acquired a 31-2 per cent interest in Schmeling and 4 per cent from Rose. Possibly because the mathematical problem was a difficult one, nobody has seen to it that Kirsch got his 2 per cent, the plaintiff asserted.

JOE GLICK MAKES HIS DEBUT AS JUNIOR TONIGHT

New York, July 23.—(P)—Joe Glick, the Williamsburg pants-presser, makes his debut as a junior welterweight at the Queensboro stadium tonight when he battles Lope Tenorio, hard-punching Philippine star, in a ten-round bout.

Glick, considered a leading lightweight contender until he ran into a two-round knockout at the hands of Jimmy McLarnin has found it increasingly difficult to make 125 pounds and has decided to campaign in the future at around 140 pounds.

OFFICERS KILL 2 RUM RUNNERS

PITCHED BATTLE STAGED ON MEXICAN BORDER DURING NIGHT

El Paso, July 23.—(AP)—Four border patrolmen surprised a band of 20 rum runners at the Rio Grande last night and in a pitched battle killed two of them and wounded another.

Five of the band were captured and three motor cars, two trucks and more than 150 gallons of whiskey were confiscated.

Descending upon the rum runners in motor cars, the border patrolmen mounted a fence near the Rio Grande banks. The rum runners opened the battle, and before it ended two were killed and another wounded seriously. It was reported several hundred rounds of ammunition were fired.

None of the patrolmen was injured. H. C. Horsey, chief of the border patrol, said one of the men captured, a negro truck driver, confessed his part in the band's activities and implicated several others, including the man said to be the ring leader.

GOVERNMENT TO SPEND \$29,000 ON INDIANS

Beaumont, July 23.—(AP)—Expenditure of \$29,000 by the Federal government for land for Alabama and Coushatta Indians in Polk County has been approved by the attorney general, according to information reaching Judge Thomas A. Baten, one of the land owners from whom the tract was purchased. That approval

As Russians and Nationalists Massed in War Zone

Russian and Chinese war lords and scenes like those that marked the mobilization of troops along the Manchurian frontier following the threat of hostilities, are pictured here. At upper left is General Chang Hsueh-liang, governor of Manchuria and war lord of the Chinese republic. In the circle is General Budenny, famous Russian cavalry leader, who was reported called from his vacation to direct military activities for the Soviet government. Above, Chinese troops are shown lined up for inspection and loading artillery into railway cars. Below are Russian soldiers on the march.

"I Was Almost in Despair," She Says

Another Wichita Falls Woman Has Been in Bad Health Several Years; Orgatone Brings Relief.

Another wonderful endorsement for Orgatone that will be read by thousands of frail, suffering women, was given by Mrs. S. Myers, 2810 Grant Street, Wichita Falls, Texas. In describing her troubles and failure heretofore to find relief, to an Orgatone representative, Mrs. Myers said:

"I have been in a very poor health for a long time. My condition has been wretched for two years. I suffered from acid stomach and it seemed like everything I would eat would come back up in my throat and choke me. I was very nervous and had been constipated practically all my life. At times I was a mighty sick woman, and only those who are afflicted as I know how I suffered. I paid out a lot of money for treatment and medicines of different kinds, but I kept getting worse. My liver was in such bad condition I would have sick dizzy spells and sometimes it was impossible for me to stand on my feet in this condition.

"I commenced to read about the good Orgatone was doing people right here in Wichita Falls and I can't tell you how glad I am that I decided to try Orgatone. What I have already taken has given me more relief than all the other treatments and medicines I ever took put together. I am not nearly so nervous now, can eat anything I want and digest it properly, and my awful dizzy spells are broken up. My constipation is gone and I have improved wonderfully in every way and feel that in a short time my troubles will be relieved entirely. Only those who have experienced the great relief I have can realize the joy I feel over what Orgatone has done for me and I gladly recommend it to others suffering as I did."

Genuine Orgatone is not a so-called patent or secret remedy but a new scientific bile treatment containing no alcohol or other false stimulating drugs and is sold in Vernon exclusively by the Vernon Drug Company who are direct laboratory agents.

Notice to Contractors.

Sealed bids will be received at the office of E. L. McHugh, County Auditor, Wilbarger County, Vernon, Texas, until 10 o'clock a. m., August 13th, 1929 for the construction of one One Hundred Foot Bridge to be built on Beaver Creek, at a point about 12 miles Southwest of Harrold, Texas. Commissioners Precinct 4. Plans and specifications may be seen at the office of J. B. Nabers, County Engineer, or County Auditor.

Contractors may submit bids on alternate plans, which they may prepare.

Said bridge to be paid for in Road and Bridge Warrants, bearing interest at a rate not exceeding 6 per cent per annum.

A certified check payable to the order of J. V. Townsend, County Judge, without recourse must accompany each proposal in a sum equal to 5 per cent of the bid.

Bond will be required of the successful bidder in a sum equal to the contract price.

The right reserved to reject any and all bids.

E. L. McHUGH, County Auditor. 318-5100

U. S. OPTIMISTIC OVER OUTLOOK IN CHINA ROW

Feeling That Hostilities Will Be Avoided Sustained by Assurances That Armed Forces Have Not Violated Any Territory.

Washington, July 23.—(P)—Governmental and diplomatic circles here today continued optimistic over the course of the dispute between China and Soviet Russia.

The feeling that hostilities would be avoided was sustained, not only by the assurances from the Nanking and Moscow governments that they in-

tended to comply with the terms of the Kellogg-Briand treaty renouncing war, but by assurances from authoritative quarters that the armed forces of neither nation had violated the other's territory.

Confidence in the effectiveness of the anti-war treaty, despite the fact it will not become fully operative until Japan's ratification is deposited here tomorrow has been enhanced by the action of the Paris and Tokyo Governments in adding their admonitions to that of Secretary Stimson, reminding the Chinese and Russian authorities of their obligations under the pact.

Informing the State Department of his Government's action, Ambassador Deuchel of Japan, assured Secretary Stimson that, as far as Tokyo officials had been able to learn, the Manchurian border had not been violated on either side.

JAPANESE OFFICIALS ORDERED TO PREVENT TROOP PASSAGE

London, July 23.—(P)—A Reuters dispatch from Tokyo today said it had learned authoritatively the command-

Pope's "Imprisonment" Ends

Since the Garibaldians seized Rome in 1870, no pope has left the Vatican grounds. The signing of the recent concordat between the Catholic church and the Italian government, however, has brought this policy to an end, and Pope Pius XI will leave the Vatican to journey out into Rome on July 27. This is his holiness' most recent picture.

er of the Japanese garrison in Manchuria had instructed the South Manchurian Railway to refuse to transport Chinese troops and munitions through Southern Manchuria to Changchun where it joins with the Chinese Eastern.

The railroad was told also to refuse to permit Chinese troops carrying arms to pass through the railway zone except at the discretion of the local Japanese commanders.

SHANGHAI BELIEVES AMICABLE SETTLEMENT IS FORTHCOMING

Shanghai, China, July 23.—(P)—Belief grew today the crisis in Manchuria would be settled amicably and

by negotiation. The Tachung News Agency, considered semi-official, said in a Nanking dispatch, "The belief among officials here that the Sino-Russian controversy will be settled in a friendly manner is apparent."

During a meeting of the council of state this morning President Chiang Kai Shek was said to have remarked, "Inasmuch as the Nationalist Government entertains no ill will toward Russia and plans no war it is reasonably certain the Soviet will not take upon itself responsibility for starting another international conflagration."

BRIAND IN CLOSE TOUCH WITH CONTROVERSIAL SITUATION

Paris, July 23.—(P)—Foreign minister Briand continued closely in touch with the Russo-Chinese situation today and during the morning received Ambassador Odachi, President of the council of the League of Nations. He also kept in touch by telegraph with the French representatives in China and Russia.

In connection with a report from Moscow that Russia had refused "French mediation" it was said in diplomatic circles the French foreign minister in conversations with the Russian Ambassador and the Chinese minister had merely counseled them to conciliation but had not offered trench mediation.

TWO TEXAS COUNTIES PLAN DAIRY PROGRAM

Texarkana, July 23.—(P)—A five-year farm and dairy development program for Bowie and Miller counties has been approved by the Texarkana Chamber of Commerce, which will begin immediately a survey of cattle, pastures and crops now produced.

The program will include elimination of ticks in Miller County, development of better pastures, establishment of pure-bred bull circles, calf clubs, and elimination of scrub cattle.

Eat Everything without Fear of Indigestion

Are there lots of foods you can't eat—for fear of gas, bloating, pains in the stomach and bowels? Do you have to pass up favorite dishes—while the rest enjoy them?

That's a sign you need Tanlac! For more than 10 years Tanlac has restored to vigorous health thousands who denied themselves their favorite foods just as you have to.

Mrs. Albert B. Greer, 720 W. Markham St., Little Rock, Ark., says: "Since taking two bottles of Tanlac, I can eat anything without indigestion and put in a full day's work without a bit of trouble."

If you suffer from indigestion, gas, dizziness, headaches, constipation or torpid liver—give Tanlac a chance to help you! The first bottle often brings the needed relief. Tanlac is a good, pure medicine, made of roots, barks, and herbs that are recognized by the United States Pharmacopoeia. Get it from your druggist today. Your money back if it doesn't help you.

Louisiana Flyers Plan Endurance Attempt Again

Shreveport, La., July 23.—(P)—Failing in their first attempt at an endurance flight record, W. Currey Sanders and Van Lear Leary, Louisiana aviators, hold hopes of trying again.

Their plane, the KWKH, which began its flight at 10:30 a. m., last Wednesday, was forced down 7:17 o'clock last night five miles from Shreveport, due to motor trouble. The aviators had been in the air approximately 128 1/2 hours.

SOVIET OFFICIALS DENIED PASSPORTS TO MOSCOW

Tientsin, Chihli, China, July 23.—(P)—The Soviet consuls at Tientsin and Peiping were forced today to cancel their departures for Moscow with their consulate staffs when the commissioner for foreign affairs refused them visas for their passports. The Soviet consuls immediately wired Moscow, and meanwhile continued preparations for their trip. It was understood the commissioner's refusal of visas was prompted by orders from Nanking on the ground war had not been declared.

SCHOOL DISTRICTS VOTING ON BONDS FOR BUILDING

Today the five former school districts of Haney, Kitchel, Guggisberg, Parsley Hill, and Antelope are voting on the proposed bond issue of \$70,000 to finance the construction of a consolidated high school building in the Rural County Line School District No. 10. The five districts were consolidated by a popular vote on July 13.

A second proposed measure of equalizing the taxes of the new district is also being voted on today. The proposed building is to be fully equipped with laboratory and library equipment and is to have an auditorium of 1,000 capacity, which will also be used as a gymnasium.

Miss Merle Allison, Ford roadster.

Star Boarders, Notice—Wingless Chickens!

Dr. T. T. Renwald, an unemotional scientist, has done a great favor for the small boy who sits hungrily up to the dinner table on Sundays and has to watch the "company" get all the best portions of the roast chicken until nothing is left for him but a wing.

He has bred chickens which have no wings at all! Small boys and star boarders, accordingly, may be expected to fare somewhat better after this—provided poultry breeders generally take to Dr. Renwald's discovery.

Dr. Renwald has a whole brood of chickens here that lack wings and, in some cases, lack claws as well. These chickens, he said, will lay more eggs than the ordinary hen, which has an idle period of about 15 weeks every year when she devotes all of her energies to the moulting of her wing feathers. Having no wings, his chicks will not be bothered with moulting, and can give all of their attention to egg-laying.

He produced this new type by selective breeding and did not resort to surgery. Chickens, he says, are descended from fish, and his wingless type is a sort of throw-back to an earlier type.

**Farm with Cletrac and
You Farm More Profitably**

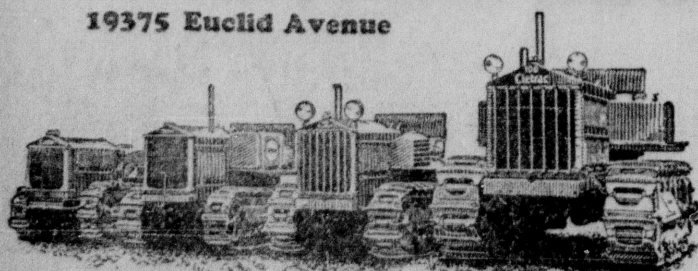

TIME and time again, on thousands of farms, Cletrac Crawler Tractors have proved their ability to increase farm profits through their better fitness for handling farm work. They are designed and built throughout with a thorough understanding of the farm needs of today. And farmers who buy these better tractors solely on the basis of securing bigger profits from their farming operations are never disappointed.

Cletracs reduce to the lowest point your time, your labor and your power-cost-per-acre. They give you the thoroughness of soil preparation and the full bite of your implements that only abundant, steady-moving power makes possible. They are in a class distinctly by themselves for convenience, easy care and dependable, all-weather performance.

Investigate Cletrac Today and Learn Its Unparalleled Features for Better Farming

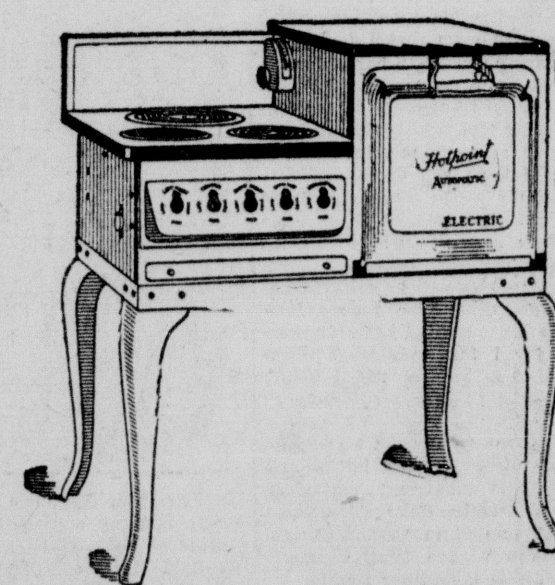

See your dealer for a demonstration of Cletrac or let us place its farm-profit story before you in full. Cletrac offers you so much more in money-making features, convenience and downright value that you will surely want to know about it before making your next tractor purchase.

The All-White Hotpoint—Priced at \$132.50

**It's
Nothing
But
Natural**
Home Makers Select the HOTPOINT

BECAUSE the Hotpoint frees them from hundreds of tied-to-the-kitchen hours, it gives them an opportunity to enjoy the countless pleasures of life instead of spending so much of their time in the kitchen these "hot" summer days.

—This Electric Maid cooks foods better without tedious hours of watching....one can prepare their meal, place it in the oven and set the automatic timer and temperature controls, then forget it.... Everything will be cooked RIGHT the first time and every time!

—Cooking electrically on the Hotpoint is cleaner....easier....more convenient....cooler and more economical. Won't you let it solve YOUR cooking problems?

—At your first opportunity come in and see the new HOTPOINT.... You'll most certainly like it. A wonderful Steam Pressure Cooker is included with each model priced from \$132.50 up.
